Honorable Judge Grim,

I am writing this letter to have you dismiss the above case as I am withdrawing/ closing the case I filed against Transunion, please close this case without prejudice so that I may have the opportunity to further prepare for the next time I file against Transunion if necessary.

Please have the attorneys for Transunion release my file back to the agency so that I may be able to correspond with them without my disputes being forwarded to the attorneys office.

Thank you

  
Jamal G. Walker
